

NEW LeadCENTER Social Media Life Insurance Lead Types

LeadCENTER Social Media
Leads deliver relevant,
quality leads to you!

LeadCENTER is every agent's go-to resource to search for and purchase high-quality leads with just a few clicks. Now, LeadCENTER offers three new lead types, sourced for you to be relevant and valuable as you expand your book of business. Let's take a look!

LeadCENTER's new Social Media Lead Types:

Social Media Final Expense Lead

Generated through social media from consumers researching Final Expense Insurance. Lead prices vary depending on the age of the lead

Social Media IUL Lead

Generated through social media from consumers looking for Indexed Universal Life (IUL) insurance. Lead prices vary depending on the age of the lead

Social Media Mortgage Protection Lead

Generated through social media from consumers looking for Mortgage Protection insurance. Lead prices vary depending on the age of the lead.

*NOTE: Leads may not include the consumer's physical address.

It's simple to buy LeadCENTER Social Media Leads:

- Start on the Order Leads page, and choose product type "Life."
- Select Social Media from the Lead Category list.
- Use the heat map or preferred state to find leads, add to cart and purchase!

LeadCENTER is always adding new ways for you to get the highest quality leads possible.
